

Dear Mr. Dittmar,

I am giving this donation to the Kenya Music Project. I received this money from an award that I was nominated by one of my teachers and I knew what I wanted to do with it right away. Earlier this past week my orchestra teacher (Eric Marta) was talking about the Kenya Project. I fell in love with these amazing kid's stories, without even hearing much about them. I know these kids are special and they deserve a place to perform and knew I had to help maybe little more than \$1.

This past week has been life-changing for me, I have learned how lucky I am to be in orchestra. Orchestra has really changed my life. It has made a huge impact on my life, a couple days ago I was talking to my mom and told her that "music was the best thing that has ever happened to me. " I want to help these (Kenyan) kids grow in music and discover themselves as I did. (I'm only in 8th grade). I want them to find their talent and show it to the rest of the world.

I admire you, you have looked at these kids and have given them a chance. I want to help just as much as you are right now. I want to be part of this project and make a difference too and these amazing kids are my heroes.

"Be the change you wish to see in the world. " – Ghandi

Sincerely,
Haley T.

A little about me... My name is Haley T, I'm in 8th grade. I may only be 13 but NOT too young enough to make a difference. I play in the Marquette Area Public Middle School Orchestra. When I'm older I want to make a difference.
